

TAISEER SULAIMAN-DDS, PhD, FICD

TAY-see-er SU-la-men is a Tenured Associate Professor and the Director of the Advanced Operative Dentistry and Biomaterials at the Adams School of Dentistry, University of North Carolina at Chapel Hill, where he earned his clinical certificate in Operative Dentistry and his PhD in Dental Materials from the Department of Prosthetic Dentistry and Biomaterial Sciences at the University of Turku in Finland in collaboration with the Department of Operative Dentistry at UNC. Dr. Sulaiman is a wet-handed clinician and a researcher who is passionate about bridging the gap between dental research and clinical application. Dr. Sulaiman's research focus is on maximizing the clinical relevance of in vitro testing. He has published over 90 peer-reviewed articles, abstracts, and book chapters. He is a fellow of the International College of Dentists and a member of many academies, including the prestigious American Academy of Restorative Dentistry and the Academy of Operative Dentistry. He serves as the clinical and scientific ambassador for the Dental Advisor. He has presented on numerous national and international stages and serves as a reviewer for many peer-reviewed journals.
